

Hello everyone,

Greetings at the start of Advent – the season of Waiting. The wait for knowing more about what we can/can't do at Christmas is over and we're now able to do more in-depth planning for our Christmas Services. More information next week on when there will be services in church but for **Sundays 6th and 13th December we will stick to Zoom-only for the 9.30am services.** For Sunday School it will be 'Rise and Shine' on You Tube for 6th December but we hope to be back in the Pastoral Centre on 13th and 20th December - but will confirm next Sunday.

But meanwhile; what about the **Advent Wreath**? Well, thanks to Linda Joyce-Wallace we do have one in church and it will feature in our Sunday-zoom worship and Rise and Shine.

And what about **Compline**? We've actually continued Compline every Wednesday evening at 8.30pm since Lent! So do join us on Conference Call for this gentle, reflective service. The phone number is below (it hasn't changed!)

The pre-recorded **Carol Service** is coming together with recording of the music happening in church on Monday – please pray that none of those involved are taken ill or required to self-isolate!

Don't miss LAST POSTING for **'St Laurence Church Christmas Postal Service'** which is Monday 14th December. Please drop your cards for church members through the letter box at Pastoral Centre (do not enter) and we will put them in the packs which we are aiming to deliver later that week. Please write the name and (if you have it) the address of the recipient on the front with your name and phone number on the back in case of queries. Unfortunately, we can not pass on details of people's addresses to individuals.

Following the Churches Together in Northfield meeting I'm delighted to report that the alternative 'Community Christmas' i.e. delivering 'Christmas Goody Bags' on **Christmas Day** to those who would normally come is looking viable. We've gathered 12 volunteers so far here at St Laurence and 60 invitations to receive packs have gone out. Not too late to offer to help (or even pull out now we know what we allowed to do over Christmas) – contact Jennie King, jennieking47@gmail.com 07765 258834.

The **'Exploring Faith'** course will be focussing on 'The Cross' this week. Please pray for Revd Theresa and Rowena as they lead this course and for all the participants.

Fr David asks:

Do you have a flat screen monitor (or TV with an HDMI input) of size 19" to 24"? If so the St Laurence Safe Spaces project would welcome a donation to be used with the 4 raspberry Pi computers that we plan to purchase to provide training in programming. We have budgeted for refurbished monitors but the donation of a monitor would release funds for other purposes. We will also be providing pool, snooker, air hockey, table tennis, football (no heading) cricket and craft activities. Perhaps you might like to be part of this exciting opportunity to engage with secondary school children. Please contact Fr David for more information (07821 151 484)

In the community section below are UPDATED details of a variety of **job opportunities** to help roll out the vaccine programme. Please pass them on to others. Also 2021 is census year and there will be temporary jobs around this. There are also links to some courses, including Floristry!

It's good to hear that people are enjoying colouring the 'mindfulness' bookmarks which were in the latest packs to be delivered. You don't need to have a set of crayons – just a pencil or ball-point will do as you can shade or use spots and stripes to good effect.

We've some lovely photos of 'mountains' for this Sunday's montages to accompany our Advent Hymns.

Next week it is "Pets" – they can be current ones or much loved ones from the past - so send in a pdf or photo - ideally landscape - to peterm435@gmail.com with the topic in the subject line by 4pm on Thursday.

TODAY Advent Vigil Service from Birmingham Cathedral online at 3.30pm on this Sunday 29 November. This service of readings, prayers, and music sung by the Cathedral Choir (Schola Philippi) will be streamed from the cathedral behind closed doors and available via www.birminghamcathedral.com as we mark the start of Advent.

Independent Faith Engagement Review The government is holding a consultation concerning perceptions of the government's engagement with faith organisations. To find out more and to respond, please visit <https://www.gov.uk/government/consultations/independent-faith-engagement-review-call-for-evidence>. The survey closes on 11 December.

Meanwhile, keep safe and warm.

*Blessings

For this period of lockdown, the Church of England has issued **a call to prayer to the nation** and details of this and some special prayers are available via <https://www.churchofengland.org/more/media-centre/coronavirus-covid19-guidance-churches/call-prayer-nation#na>. The resources include a prayer for this week:

Loving God, your Son Jesus Christ came that we might have life and have it abundantly; pour out your blessing upon our nation; where there is illness, bring your healing touch; where there is fear, strengthen us with the knowledge of your presence; where there is uncertainty, build us up in faith; where there is dishonesty, lead us into truth; where there is discord, may we know the harmony of your love; this we ask in Jesus' name. Amen.

Safeguarding is everybody's responsibility. Beware of Loan Sharks – and especially so on-line

More and more people are falling prey to unscrupulous lenders on social media.

Worryingly, one in five victims met their lender on social media in the first half of 2020.

Be really careful and if you ‘discover’ a loan shark you can report them via www.stoploansharks.co.uk
