

## Nativity Festival

St Laurence Church November 2022

Thank you for being willing to make or provide a Nativity Set.

At minimum it needs to include Mary, Joseph and Jesus but shepherds, wise men, angel, star and animals can also be included. It does not need to include a stable but if it can include something for it all to stand on e.g. a board or a tray that would be helpful.

Please bring it to **CHURCH** on Sunday 20<sup>th</sup> November between 10.30am – 12noon or Monday 21<sup>st</sup> November 9am – 11am.

It should be placed in a clearly named box and include the form below.

We are very grateful for your participation and will do our best to look after your set but it is loaned at your risk.
