

St Laurence Prayer Calendar

You are invited to pray for the following groups of people each day through a month. You may wish to focus on one list a month and so pray for everyone over 3 months, or pray through all 3 lists during a month.

The calendar is very much work-in-progress so has been kept to a simple format so it can be updated. Jot them down for the 31st of the month and let the office know who you would like included at the next reprint.
