

# HOME IS WHERE THE ARCH IS

A community tapestry stitch & heritage project for Northfield

In 1170 an arched doorway was built for St Laurence's Church, Northfield. Today this arch is the **OLDEST** surviving piece of architecture in the whole of Birmingham!

**850 years on, can you help stitch a NEW arch for Northfield?**

During 2020 we need hundreds of Northfield residents and neighbours to stitch a tapestry brick for a collaborative 'arch' artwork and contribute to a local archive of community memories. Want to join in?

There will be opportunities to stitch with us at future workshops and events. We can also deliver a tapestry kit direct to your door.

The project is suitable for experienced stitchers and absolute beginners, aged 5+. Free to take part.
