

Hello everyone,

What a week! The knife-violence in our city centre last weekend is devastating (prayer below) and we watch the rising virus figures with growing concern. At the moment we can still worship in church but it behoves us to follow the guidance very carefully. This includes keeping the services shorter rather than longer. I gather the RC church has prescribed that church sermons be no longer than 5 and we are working towards this – though it is actually much harder to write a short sermon than a longer one. Similarly, the length of intercessions is having to be reduced. Thankfully, God's love and care for us all sees no reduction!

Going into school this week was rather different but the environment felt calm and as distanced as possible. We pray for the Reception children as they start full-time this week.

The details of **Clare Blackshaw's funeral** are coming together. It is on the afternoon of Wednesday 23<sup>rd</sup> September and strictly by invitation only. We are planning to live-stream and also have it available on YouTube afterwards. Please do NOT come to stand outside in the churchyard or near the church to pay your respects. It is only recently that we have been allowed to hold funerals in church again so we must be vigilant to keep to the government and church guidance.

Saturday sees **Theresa being ordained deacon** at the Cathedral. It had been hoped that the service would be live streamed but sadly the equipment has been stolen. All being well it will be recorded. Maybe we can zoom it so we can watch it together in the near future and raise a glass to the Revd Theresa in our own homes.....

For the moment Theresa and I are continuing to take Friday as our days off. If you do think I need to be urgently notified about something please contact Fr David or Roy Pouncett and they will pass on the message as appropriate.

Remember this SUNDAY the service will be zoomed from church so the way to access it is by zoom and zoom-phone only – No conference call!

Full details below and in the packs which have been sent out.

The booking system will continue as it has done.

*Prayer for our City following the violence last weekend*

Loving God, amidst pain and confusion, we pray for our city in grief for the life lost and lives changed through injury, trauma, or bereavement. We hold before you Jacob Billington, his family and friends; those injured and their loved ones; and the emergency services and first responders. Across our communities, as we look again upon the horror of knife crime, give us hearts that ache with longing for peace; and the courage to lay down weapons for good. Renew our hope that you draw near to the broken-hearted; through your Son Jesus who suffered death upon the cross and now dwells for ever in your eternal kingdom. Amen.

## **Government Guidance pertaining to places of worship**

The full guidance can be found here

<https://www.gov.uk/government/publications/covid-19-guidance-for-the-safe-use-of-places-of-worship-during-the-pandemic-from-4-july/>

## **Further information about arrangements for Holy Communion in church**

Worship in church will be conducted under very careful conditions in order to make this as safe as possible; **please read the following very carefully.**

**Tickets:** Following guidance from the government and Church of England, we must limit numbers very strictly in order to enable social distancing. For the time being, we will operate a booking system for each service. If there are no tickets left when you try to book, please email [theresa.curate@gmail.com](mailto:theresa.curate@gmail.com) (or phone 07557 472096) and you will be given priority the following week. In line with government guidance, all booking details will be retained for 21 days (or for the period of time the government advises) for contact tracing purposes.

**Arriving at church:** The church will be open 20 mins before the service in order to stagger arrivals. Late arrivals may not be admitted. Hand-sanitising will be required on arrival and you will probably be directed to your seat. We will try to seat households together but this may not be possible. Please observe social distancing requirements as you find your seat and do not stop to talk to others.

### **What will the service be like?**

It will be a simple, said service of Holy Communion, very much like the 8.30am service.

*We regret that we cannot run Sunday School alongside this service.*

In order to minimise transmission of the virus by droplets we are asked to say the responses quietly. There will be no singing.

### **What about receiving Holy Communion?**

The bread which the people will receive will be covered during the consecration.

The president will receive both bread and wine and the congregation will receive bread. The president will distribute bread wearing gloves, mask and clear plastic face shield. You will be required to stand in a particular place to receive Holy Communion and asked to outstretch your hands and then follow the one-way system to return to your seat. If your mobility is limited communion will be brought to you.

### **Will I be required to wear a mask?**

YES unless exempt. If you have not got one, we will have some cloth ones available in church.

### **What about children?**

Our main provision for children and families is a short service in the Pastoral Centre at 8.30am on Sundays (this also needs to be pre-booked.) If you need to bring a child to the service of HOLY COMMUNION they must have a ticket too. This includes children in pushchairs/prams. Each child

MUST have an accompanying adult with them and, if of primary school age or below, they must hold the hand of the adult whilst in church except when sitting with them in their pew.

**Will the toilet be open?** Yes, but access to it will be limited. Children MUST be accompanied by the adult they have come with.

### Leaving church – this is the really hard bit!

We will need to be quite directional about this and will probably ask you to leave a row at a time and once outside to move away from the church exits promptly. Fellowship is an important aspect of our church life; if wanting to talk to others please do so some way from the actual building and maintain social distancing (despite much talk of '1 metre plus' the full two metres should still be observed as much as possible including when outside.)
